Welcome to Starlight

At Starlight, we believe in 3 principles for success:

- We make sure our Distributors always come first
- We “over-deliver” on our promises
- Our products must always be on the cutting edge and meet the highest standards for quality and integrity

Straight-forward business practices work.

Because of our honest, dependable way of doing business, our line of cutting edge products, and a user-friendly business opportunity, we’ve achieved sales of over \$800 million and paid out over \$325 million in commissions to our Distributors.

Our 15-year track record is a dream come true.

As a successful Hollywood producer for over 25 years, I wanted to use my people skills and business expertise to build a company that would make a positive difference in the world. I’m proud to say we have.

The door is open. Come on in.

Check out our track record. Search our website. And, if you choose to, we’d love to have you join our Starlight family.

Sincerely,

Steven M. Goldberg
Founder and President
