Please carefully read product label for instructions, cautions and warnings. Use in conjunction with a weight management program, healthy diet, nutrition and exercise. Not recommended for caffeine sensitive individuals.

**Suggested Usage:** Take two to three capsules per day at evenly spaced time intervals during the day with meals or as needed. You may adjust the time of taking this product to fit your work schedule and sleep or appetite patterns. Do not take more than three capsules in any 24-hour period.

**Cautions/Warnings:** Do not use this product if you are under the age of 18 or you are pregnant, expect to become pregnant or are nursing. Consult your healthcare professional prior to use especially if you are taking any prescription or over the counter medications, other dietary supplements or have or suspect you suffer from any disease including high blood pressure, heart disease, kidney, liver or thyroid disease, or psychiatric disease. This product contains caffeine. Individuals with caffeine sensitivity, diabetes, or hypertension should consult their healthcare professional prior to using this product. The recommended serving of this product contains about as much caffeine as a cup of coffee. Excess caffeine may cause nervousness, irritability, sleeplessness and, occasionally, rapid heartbeat or other adverse effects. Do not exceed the recommended serving, as it will not improve results. If you experience an adverse reaction to this product, immediately discontinue use and contact your healthcare professional.

**Keep out of reach of children. Store at room temperature. Avoid excessive heat. Do not use if seal is broken.**

\*Based on clinical trials of an ingredient in NaturalTRIM 3X. The average weight loss was six pounds in eight weeks when used in conjunction with a healthy program of diet and exercise although some participants lost as much as 22 pounds. Not everyone will experience similar results. Weight loss may depend on several factors including a combination of proper diet and exercise.
