

TOTAL REJUVENATION[®] Patent Pending Cel-Vitalization Formula[™] Helps Combat The Aging Process

Now you don't have to look your age

Long before you notice the signs of aging, every cell in your body has been under attack. This is happening on the inside of your body, but undesirable signs are also beginning to show on the outside. The body does what it can to restore itself, but as the years pass, cell rejuvenation becomes less efficient and if this process goes unchecked and without help, those signs of aging begin to show more rapidly.

TOTAL REJUVENATION restores the body with the ammunition it needs to help resist the aging process so you can look and feel your best

- Our patent pending combination of ingredients is designed to rejuvenate your cells* by protecting them from the cell damage associated with the aging process through the Cel-Vitalization Formula. The cells that make up your body will have additional nourishment, support and strength.*
- Protected cells will help keep you feeling healthy and looking your best for a full, more active life. Family and friends will say "You look great."
- Each daily serving consists of two soft and two hard gel capsules in a convenient one serving packette.

Please carefully read product label for instructions, cautions and warnings.

Suggested Usage: One packette per day which contains two hard and two soft gel capsules.

Cautions/Warnings: Not to be used by children under the age of 18. If you are pregnant, expect to become pregnant, lactating, under a physician's care or taking prescription medication, consult with your health care professional before taking this product. Do not exceed recommended serving. Keep out of reach of children. Store at room temperature. Avoid excessive heat. Do not use if packaging is broken or damaged.
